

The MBA Foundation Golf Outing benefits the Milwaukee Bar Association Foundation, a 501(c)(3) charitable foundation, and the Milwaukee Justice Center (MJC) as its chief project. The MJC delivers access to the justice system for self-represented litigants even if they cannot afford an attorney or do not qualify for legal aid. By supporting the golf outing you are helping provide access to justice for Milwaukee County's most vulnerable residents. Additionally, the outing offers an opportunity for a casual networking environment that unites attorneys, members of the judiciary and representatives from affiliate organizations in the Milwaukee legal community.
